I have completed the following:

1. I have visited and talked with the applicant.
2. I have reviewed the Application for Financial Aid and the Applicant's Financial Statement with the applicant and believe them to be essentially correct.
3. I have encouraged the applicant to investigate all possible sources of aid from governmental agencies as well as educational loans and scholarships if applicable.
4. I have agreed to mentor this applicant if needed.
5. I have included a letter to help the board of trustees make an informed decision about this applicant.

I recommend granting the requested financial assistance.

If continued assistance is granted, I will report every three months concerning the grantee to the designated trustee of the Michigan P.E.O. Fund, Inc. I understand that the request for a report will come to me from a trustee each quarter and that the report needs to be made to ensure review for continued assistance.
